

Principal's Thoughts

The month of October is upon us and that means Parent Teacher Conferences are on the horizon. This is a wonderful opportunity to spend time, one-on-one with your child's teacher to discuss strengths and areas for growth for your child as the school year begins. We hold these conferences at this time because we are mid-term in the first trimester, the children have settled into their new learning environment and their teachers have gotten to know them better. Once again we will use the online program Signup Genius, beginning October 1st to schedule conference appointments. If you have more than one conference, please be sure to leave an open time between your meetings so that you can take a moment to process the information from the previous conference and have time to get to the next appointment on time. Slots are available every 15 minutes and will span two days. The children will be dismissed at 12:00 and Kids Club will remain open until 6:00. Our goal, as stated in our Philosophy Statement, is to be in partnership with you. Thank you for attending these conferences so we can have the greatest impact on your child's learning.

- Kudos to Jessica Lucia and Mike Summers for the many hours spent planning and organizing the day to ensure a wonderful Wheel-a-thon! The children had a great time! We are grateful for the many volunteers who made this day a safe and successful day. Without our chairs and volunteers this day would not be possible and the wonderful field trips could not take place!

~Please Pray~

We can all use prayers and support from one another, therefore each week we will pray for one of our families that they will feel God's grace and our love.

This week we ask God's blessings on the Martin Family (Nolan 8th.) Please keep them in your daily prayers.
